GRADE 3

A message from Ms. Abby and Ms. Livia

Congratulations to our 3rd Grade Students for completing their FSA Assessments!!

Students have worked hard all school year long in preparation for these exams and although the exams are completed, the school year has not yet ended. Students need to work their hardest this last month to solidify concepts and be well prepared to retain the information during the summer.

With this in mind, it is mandatory homework for students to complete I-Ready every night.

- >Monday: 30 minutes Reading
- >Tuesday: 30 minutes Math
- >Wednesday: 30 minutes Reading
- >Thursday: 30 minutes Math
- >Friday: 30 minutes Reading

Many students are not meeting this goal; **please ensure your student logs into I-Ready and completes the minutes.** This will help them practice concepts in a fun and interactive manner. This year it is vital that students read daily. Third grade students need to read chapter books!
