February 2019

Opening Statement

“Free the child’s potential and you will transform him into the world.”

~ Maria Montessori

Where in the world did January go? I can hardly believe we are into our second month of 2019 already! The children have been doing well this year, they have been having fun and learning lots of new and exciting things.

Snack:

We would like to thank the parents who have brought in snack this year. In February assigned students are:

Tomas B. (February 4-8)

Brooke M. (February 12-15)

Sabrina C. (February 19-22)

- Britney C. (February 25-March 1)

Homework

The homework continues to operate as follows:

Monday-30 minutes of iready **Reading**, spelling, math packet

Tuesday-30 minutes of iready **Math**, spelling, reading comprehension

Wednesday- 30minutes of iready **Reading**, spelling packet, math packet

Thursday-30 minutes of iready **Math**, spelling packet, reading comprehension

Almost everyone is on board and achieving successful Homework goals! Please be diligent in this area with your child and sign off daily on the Homework Checklist!

Our Lessons

In **Social Studies**, we are continuing to learn about the Renaissance and Middle Age studies in preparation for our Renaissance field trip. We will also be celebrating Black History Month.

In **Reading**, second graders are studying literature with a focus on character analysis, story structure, and making inferences. Third graders are now working on their 5th Portfolio. This portfolio focuses on Canadian and Mexican Culture. Next, we will continue to work with informational text to learn about Plant Structures.

Our Lessons Continued

In **Biology**, we will be learning all about invertebrates, birds and mammals! Our class will also continue to learn about different kinds of plants, particularly conifers such as the Sequoia tree!

Our **Cosmic** curriculum will include the water cycle, types of rocks and learning about the Sun's energy!

In **Writing**, both second and third graders are working with Unit 4 of the Writing program. We will learn how to write Opinion Writing pieces. Students will be given prompts and learn the difference between facts and opinions.

In **Mathematics**, the second graders will be working on measurement. The third graders will continue working on multiplication and division, and be introduced to measurement concepts too.

COMING UP

- ❖ Festival Field trip- Feb.11
- ❖ No School- Feb. 18
- ❖ Early Release- Feb. 21 (12pm dismissal)
- ❖ Title 1 Meeting 10 a.m.- February 21st (in the Art Room)

Reminders to Parents

- Please make sure that your child brings a water bottle daily.
- Please make sure you check your child's communication folder daily.
- Please make sure your child does their i-ready homework every day
