Opening Statement

“It is not enough for the teacher to love the child. She must first love and understand the universe. She must prepare herself, and truly work at it.”

— Maria Montessori

As the school year quickly comes to a close we would like the parents to prepare the children for the upcoming FSAs (Grade 3). Mark the testing days on your calendar, make sure your child gets ample sleep the night before and eats a filling breakfast the day of the test.

Second graders will also be taking a District based assessment in reading. Please ensure your child brings their water bottle to school to keep hydrated during school. Please also remind your child about not wearing a jacket or sweater outside in the heat.

Our Lessons

In **Social Studies**, both the second and the third graders will be learning about Asian Pacific American culture, Biomes and Ecosystems as well as a cultural project, continents around the world!

In **Reading**, second graders are studying literature with a focus on character analysis, story structure, and making inferences. Third graders have worked hard to complete all 8 Portfolios. We will focus on a literature study to close the year.
