

# PALM NEWSLETTER

## 5th Grade

Ms. Yolanda & Ms. Shica

### Monthly Goals

**Reading** – The students will be working on Unit 1, Weeks 1, 2, and 3: Cultivating Natural Resources. We will build knowledge about natural resources, learn how relevant details support the central idea, and practice summarizing.

**Writing** – The students will recognize appropriate shifts in verb tense and use conjunctions to join words and phrases.

#### Mathematics

- Lesson 4: Make 3, 4, and 5
- Friday: Compare and contrast 2D and 3D figures.
- Lesson 5: Understand Ordinal Numbers
- Friday: End of Unit 1 review
- Lesson 6: Count 6 and 7
- Friday: The students will take 2 assessments.
- Lesson 7: Make 6 and 7
- Friday: Sort and compare objects into categories such as color and shape.

#### Social Studies

- The students will learn about the celebration of Labor Day.
- The students will learn about Friendship, Kindness, and Acceptance (Montessori lessons).
- The students will explore the question: What is Geography?
- The students will begin researching for a Hispanic Heritage culture project.

#### Science

- Properties of Matter
- Properties of Mixtures and Solutions

### Reminders

- Please check the informational folders every night.
- Sign the Parent/Student Handbook and return the signature page.
- Ensure your child is wearing the appropriate school uniform.

### Upcoming Events

- Sept. 2nd: No School - Labor Day
- Sept. 4th: Back to School Night

### Wish List
