

# OAK MAY AND JUNE NEWSLETTER

Ms. Shannon and Ms. Zue

Hello Oakroom Families! We would like to start off by thanking everyone who participated in Career Day! It was a big success and the students learned so much. As we near the end of a very busy school year, here's a look at what we'll cover in May and June.

In ELA, we will complete our last Unit, The Power of Electricity, which includes identifying the author's claim, explaining how a photograph adds meaning to a text, and summarizing ideas and information in a Scientific text.

In Math, we will be reviewing skills in multiplication, division, fraction concepts and conversion concepts. We will also be practicing for our FAST math test.

In the area of science, we will be learning about energy and speed.

In Social Studies, we will learn more about Florida and the Spanish American War.

Important Dates:

- May 10- Mother's Day Breakfast
- May 24th – Early Release
- May 27<sup>th</sup>- No School
- May 31<sup>st</sup>- Achievement Day Grades 1-4
- June 10<sup>th</sup>-Early Release, LAST DAY OF SCHOOL

Reminders:

- Assignment is due every Friday, unless otherwise noted.
- **I'm ready 30 minutes a day: M/W reading, T/Th math**
- **Read 30 minutes a day.**
- Physical Education and Art are on Mondays and Fridays
- Send reusable water bottles and healthy snacks **every day.**

Please complete the iready task every day. It is imperative for your child's education.
