

# PALM newsletter

Ms. Yolanda & Ms. Norma

## MONTH GOALS

### Reading:

**Unit 5 "Technology's Impact on Society."** The focus will be on the Industrial Revolution and how it changed the way people lived and worked. The selections include a variety of genres, such as poetry, informational texts, historical fiction, and biography.

- Use Context Clues to Determine Meaning
- How Elements of Poetry Work Together
- How Text Structure Contributes to Meaning
- Development of the Theme of a Poem

**Language:** Homophones and Comparative and Superlative.

### Social Studies:

- Plymouth
- England Colonies
- Holocaust Remembrance

**Math:** The students will focus on multiplying and dividing fractions and applying this knowledge to solve real-world problems.

**Science:** Students will identify materials that conduct electricity (conductors) and those that do not (insulators) and explain how electrical energy can be transformed into different types of energy.
